2021 CUPRA FORMENTOR 1.4 eHybrid 204 V1 5dr DSG We are thrilled to offer this exceptional 2021 CUPRA Formentor 1.4 eHybrid 204 V1, a striking plug-in hybrid SUV that masterfully combines sporty performance, advanced technology, and eco-friendly efficiency. This 5-door model with DSG (Direct Shift Gearbox) delivers an exhilarating driving experience while maintaining remarkable fuel economy. Exterior: The CUPRA Formentor boasts an eye-catching design that sets it apart from the crowd. Its bold and athletic stance is accentuated by sharp lines and a dynamic silhouette. The distinctive front grille, sleek LED headlights, and sculpted bodywork create a commanding presence on the road. The Formentor V1 sits on stylish alloy wheels that enhance its sporty appeal. Interior: Step inside to experience a cabin that exudes quality and sophistication. The interior features a perfect blend of premium materials and contemporary design. The supportive and comfortable sport seats, finished in high-grade upholstery, provide an ergonomic driving position. Ambient lighting enhances the interior ambiance, creating a refined and inviting environment. Technology and Features: The Formentor is packed with advanced technology to ensure a connected and enjoyable driving experience. The state-of-the-art infotainment system includes a large touchscreen display with intuitive controls, offering easy access to navigation, entertainment, and vehicle settings. Stay connected with Apple CarPlay and Android Auto integration, while the premium sound system ensures crystal-clear audio for all your favorite tunes. Performance: Under the hood, the 1.4 eHybrid powertrain combines a petrol engine with

an electric motor, delivering a combined output of 204 horsepower. This hybrid setup offers impressive acceleration and smooth, responsive performance. The DSG transmission ensures quick and seamless gear changes, enhancing the driving dynamics. The Formentor eHybrid is capable of driving on electric power alone for short distances, making it perfect for city commutes and reducing overall fuel consumption. Efficiency: As a plug-in hybrid, the Formentor offers the best of both worlds: the convenience of a petrol engine and the efficiency of an electric motor. It provides excellent fuel economy and reduced emissions, making it an environmentally friendly choice without compromising on performance. The vehicle can be easily charged at home or at public charging stations, adding to its practicality and convenience. Safety: Safety is a top priority in the CUPRA Formentor. It comes equipped with a comprehensive suite of driver assistance systems, including adaptive cruise control, lane-keeping assist, front and rear parking sensors, and a rearview camera. These features work together to provide peace of mind and enhance your driving confidence in various conditions. This 2021 CUPRA Formentor 1.4 eHybrid 204 V1 5dr DSG is a remarkable vehicle that seamlessly blends sporty performance, c
