The condition of this car is very good. It is in fantastic presentation. On the exterior body panels there are no significant obvious visual scuffs, or scores on any of the panels. To be very fussy we observe a 2 score on the OSR 1/4 panel - we have improved this. On the OSF door centre there are 3x tiny paint chips - we have touched these in. Other than some minor stone chipping on the bonnet and frontal bumper section these are the extent of any more obvious marks. The anthracite grey 17 alloy wheels are in perfect visual presentation, without any obvious curbing marks. The NSR, OSR and OSF tyres are premium brand Yokohama and are recently brand new. The NSF tyre is also Yokohama brand with 5.00mm tread. With space saver spare wheel kit - this has never been used. The interior is in good presentation. We observe no excess wear and tear or rips on the grey fabric upholstery. There are no obvious heavy marks or damages on the interior cabin plastics or trim panels. Ford genuine rubber floor mats are fitted. 2x remote keys are present. Sale will include 12 months warranty and 12 months breakdown assistance
