Vehicle description

Onyx blue metallic individual 650i sport coupe in exceptional condition, used as a weekend car and maintained regardless of cost within franchise at JKC BMW over my 6-year ownership. Private registration has been removed and returned to YEZ 7986. Original wheels (not used on the car during my ownership) have been recently refurbished with the addition of new matching tyres to return the car to original specification. Also, two new keys come with the car which accompany the originals which continue to work. All original documentation, service history and receipts present.

Everything works, drives and sounds exactly as you would expect a 4.8 litre normally aspirated petrol V8 should.

BMW just don't make this type of car anymore and exceptional examples such as this are increasingly difficult to find.
