<b>Body Style:</b>	Convertible
<b>Reg:</b>	W8XTR

I have for sale my extremely low mileage collectable Porsche 986 Boxster S. It is presented in a deep metallic black (Schwarz-met), black hood with Granite Grey leather interior. Featuring the must have manual gearbox and 18" Sport Design split rim alloy wheels which are wrapped in factory Correct P Zero tyres over red brake callipers.

This modern classic is in totally A1 condition, along with the super low mileage having been dry stored for its entire life I am the third owner from new. The exterior and interior have been preserved in amazing condition. The carpets have been protected from new by genuine Porsche over mats. Originality seekers will find a beautifully clean cargo area containing items such as the untouched tool kit, genuine Porsche cleaning kit and original unused red space saver wheel.

To add to the typical Porsche quality craftsmanship additional extras include Litronic Xenon Headlights (with clear indicator lenses), heated seats, CDR-22 CD Radio and the unmarked 18" Design Split Rims.

Carrying a flawless MOT and with a very low mileage of just over 23,000 with a full service history with Intervals at 6,734 / 10,174 / 19,506 / 19,785 / 22,372 / 23,242 all backed up by a very comprehensive history file starting from the original certificate of newness and detailing the options specified by the first owner. In support of the stamped records are all the previous service invoices from the Porsche Main Dealers and specialists and a complete collection of all the previous TAX discs filed chronologically in the history folder along with the spare key. Rarely does a car satisfy every collector credential in such spectacular fashion.

Also included in the sale is a 5 digit Boxster representative number plate.
