The 2021 2.0 C-HR Excel is a stylish and well-equipped variant of Toyota's compact crossover. This model stands out with its striking design, featuring a bold front grille, sharp LED headlights, and distinctive coupe-like roofline. Under the hood, it boasts a 2.0-liter Dynamic Force engine paired with a smooth CVT transmission, delivering 148 horsepower for a balanced blend of performance and efficiency. The interior is thoughtfully designed, offering premium materials, comfortable seating, and advanced technology. Key features include an 8-inch touchscreen infotainment system with Apple CarPlay and Android Auto, dual-zone climate control, and a suite of safety features under Toyota Safety Sense, such as adaptive cruise control and lane-keeping assist. The C-HR Excel combines modern aesthetics with practicality, making it an appealing choice for urban drivers seeking a reliable and stylish compact SUV.
