The EV6 166kW GT Line 77.4kWh 5dr Auto offers an exceptional blend of performance and efficiency. With a powerful 166kW motor, it delivers impressive acceleration and a smooth driving experience. The 77.4kWh battery provides a substantial range, making it ideal for long trips. Its modern design, high-quality interior and advanced features such as a dual-screen infotainment system, adaptive cruise control and lane-keeping assist tech make it a standout choice. Additionally, the car's safety features ensure peace of mind. Overall, it's a compelling option for those seeking a stylish, efficient, and well-equipped electric vehicle.

PERFORMANCE & ECONOMY

Every Charles Hurst Approved used and nearly new car we retail has passed numerous checks and tests, to give you peace of mind when you buy. The servicing and vehicle history will be confirmed independently in full which includes, * Verification that the used car has never been written-off (including partial write-offs), * MOT tests, * Multi-point test, expertly carried out by our technicians. Thorough and accurate inspections that meet our own high standards. All our vehicles have previously been used for business or hire purposes and so may have had multiple users. Where we hold documents relating to vehicle history, these are available for inspection on request. Our demonstrators and courtesy vehicles by nature can be used by our customers to experience the product or for help getting around whilst with us for aftersales work.
