The BMW 4 Series 420d [190] M Sport 2dr Auto with Professional Media package and just 16,700 miles on the odometer is a premium coupe that combines performance, luxury, and cutting-edge technology. Here are the key highlights and features of this vehicle:

**Key Features and Highlights:**

- Low Mileage:** With only 16,700 miles, this BMW 4 Series is barely broken in, ensuring many more years of top-tier performance and reliability.
- Powerful and Efficient Engine:** The 2.0-liter diesel engine delivers an impressive 190 horsepower, providing a great balance of power and fuel efficiency. It ensures swift acceleration and a dynamic driving experience while maintaining excellent fuel economy.
- M Sport Package:** The M Sport trim enhances the car's sporty aesthetic with aggressive styling cues, including a more aerodynamic body kit, larger alloy wheels, and sportier interior touches. The M Sport suspension also improves handling and ride quality.
- Automatic Transmission:** The smooth and responsive automatic transmission complements the engine perfectly, providing seamless gear changes and enhancing the overall driving experience.
- Professional Media Package:** This package includes advanced infotainment features, such as a high-resolution display, enhanced navigation system, and a premium sound system. It ensures you stay connected and entertained on every journey.
- Luxurious Interior:** The interior is crafted with high-quality materials, featuring leather upholstery, heated front seats, and a driver-focused cockpit. The ergonomic design ensures maximum comfort and convenience for both driver and passengers.
- Advanced Technology:** The car is equipped with cutting-edge technology, including BMW's iDrive

system, , USB ports, and smartphone integration via Apple CarPlay and Android Auto. The intuitive controls make it easy to manage all aspects of the car's systems. Safety Features: Safety is paramount in this BMW 4 Series. It includes multiple airbags, ABS, electronic stability control, and advanced driver assistance systems such as parking sensors, a rearview camera, lane departure warning, and adaptive cruise control. Sporty and Agile Handling: The BMW 4 Series is known for its exceptional handling and sporty dynamics. The M Sport suspension and rear-wheel-drive layout provide precise and responsive driving characteristics, making every drive a thrill. Elegant Design: The sleek coupe design exudes elegance and sophistication, making a statement on the road. The distinctive front grille, sharp lines, and aerodynamic profile enhance its visual appeal. Comfort and Convenience: The 2-door configuration offers easy access to the front seats, with ample legroom and headroom for both driver and passenger. The boot space is generous for a coupe, providing practical storage solutions. , , providing extra peace of mind regarding any
