**FACELIFT MODEL- VERY RARE FULL HEATED LEATHER- T-BELT REPLACED**

This really is a stunning example of a Facelift Model Audi A3 Finished in Tango Red Metallic paintwork and with the option of upgraded wheels it really does stand out from all the others currently for sale.

Overall the car presents very well; with no stone chips to the paintwork and in no way shows its age or mileage. The interior is in great shape also with no noticeable marks or creasing to the full black leather and this really does give the car a luscious and premium appearance.
