Miles:	158495
Fuel Type:	Diesel
Transmission:	Automatic
Colour:	White
Engine Size:	2100
Body Style:	Estate
Reg:	Ea15mvv

For sale I have my April 2015 Mercedes E Class estate E220 Bluetec diesel AMG sport Night edition. It is a 2143cc engine with 174bhp and has covered 158,498 mostly motorway miles. It has a 7g tronic automatic gearbox with stop start. The gearbox was last serviced at 150k and the engine was last serviced at 158,400 miles on 22/6/24. The car has 4 brand new kumho Ecsta PS71 tyres on it. It comes with 12 months MOT. The air condition was regassed in May. The car is immaculate inside and was never smoked in or had pets in it. The outside is in very good condition with the odd mileage and age related mark. The four alloys where reconditioned last year and are in good condition. It has SAT NAV. DAB radio, DVD player, parking sensors front and rear, reverse camera, electric tailgate, heated front seats, dual zone climate control, intelligent full twin LED headlights, led running lights. Led tail lights plus all the extras associated with a Mercedes. The car drives very well with no issues and is very comfortable and smooth on the road. It has been well looked after and maintained with loads of receipts to prove it. Any viewing welcome. Its currently not being used so mileage wont increase.

Any questions please dont hesitate in contacting me

Thanks for looking.
