2011 Mercedes E350 cdi Sport Blueefficiency

103k warranted miles, just in from England this 2 owner from new car comes with Service History and is freshly serviced by ourselves.

Immaculate Example both inside and out, I can't say enough about how nice this car is. It has just been professionally valeted including a 2 stage machine polish which has left it like new.

Drives beautifully with loads of power, very smooth up and down the gears. The cabin is very spacious and comfortable with 42 way heated full leather electric seats and very well specced being the top of the range Sport model.

Motd to Oct 24

Genuine staggered Mercedes alloys have just been refurbished by Rimfix and are cloaked in Bridgestones all round.
