February 2021 first registered. One keeper from new. Seat Arona FR 1.0 EcoTSi 110ps petrol with 7-speed DSG automatic gearbox. Nevada metallic white / Magnetic Tech grey metallic roof.. Mileage is 23,369 miles. CO2 134g/km. We are unable to validate service records. As such we will complete a comprehensive service prior to handover to the new keeper. The condition of this car is good. On the exterior we observe no obvious visual dents, scuffs or scores on any of the body panels. To be really fussy there is a tiny score on the OSF door exterior handle and 2x tiny paint chips on the NSR door centre upper section. The 17 silver alloy wheels are in excellent condition - there are no visual marks on each of the alloys. The NSF and OSF tyres have 5.50mm tread. The NSR and OSR tyres are premium brand Michelin with 5.50mm tread. With tyre inflation kit. The interior is in good condition also. There are no signs of excess wear and tear on the dark grey fabric sports upholstery. Though on the rear seat centre base we observe a small glue stain mark towards the rear section. There are some marks on the plastic inner panel on the tailgate door. These are the extent of any obvious marks on the cabin area panels. Non smokers car. Seat textile floor mats are fitted. The boot floor is fitted with a non-OEM rubber protection mat (to cover some soiling to the rear boot floor carpet). 2x remote keys are present. 12 months warranty and 12 months breakdown assistance included
