NEW TURBO, PARTIAL SERVICE HISTORY

£4,950 O.N.O

Selling as its now time for our family to move to a people carrier. This car has been brilliant to drive, it's a brilliant mix of being fairly quick and also very economical. In the six years that we have owned it it has been very reliable, other than servicing, the only thing we've had to do is replace the turbo, which was done earlier this year - so the car comes with an almost brand new turbo. Spark plugs were replaced a number of years ago as was the battery. The car has tinted rear windows, isofix points on the back seat, as well as the normal modern media features, such as bluetooth streaming and calls, navigation etc. A really brilliant buy, especially with the 1.4tsi engine, which is not easy to find. Red, 2 owners
