

BMW 4 Series 435d xDrive M Sport 2dr Auto | Jan 2014

£13,500

Reluctantly selling my pride and joy due to a new job with a company car included. The cars previously had 3 keepers before I bought it in early 2021 with 51k miles and has been a pleasure to own and drive. It comes with a full annual service history including invoices for any work done and has just been serviced and checked over this week for the new owner.

The cars a very quick and comfortable cruiser, its never been modified in any way and has been treated like part of the family. The car is taxed and insured until next year so I'm in no hurry to sell for a silly offer.
