2016 Audi A5

52 thousand miles, service history and folder full of receipts with the car, MOT march 2025 went through with no advisories, grey exterior with black half leather interior, SAT NAV, parking sensors all round with reversing camera, Privacy glass, cruise control, flat bottom steering wheel, drive select, keyless go, cheap insurance and £35 a year tax.

Only selling because need a five door hatchback or estate or I would keep it, drives brilliantly and handles really smooth, definitely the best car I have owned.
