360 CAMERAS- CARPLAY- SENSORS

This Nissan LEAF 40KWH N-Connecta in Pearl Black is an outstanding choice for an eco-friendly, technologically advanced, and feature-rich electric vehicle. Here are compelling reasons to consider this car: **Advanced Electric Powertrain:** The 40KWH battery provides a substantial driving range, making it ideal for both daily commutes and longer trips. As an all-electric vehicle, it offers zero emissions, contributing to a cleaner environment and lower running costs. **Comprehensive Parking Assistance:** The 360-degree parking cameras and front and rear sensors make parking and maneuvering in tight spaces effortless and safe. These features significantly enhance driving confidence and reduce the risk of minor accidents. **High-Tech Infotainment System:** The customisable touch screen with Sat Nav ensures you stay connected and on the right path. This system provides easy access to navigation, entertainment, and vehicle settings, making your driving experience more enjoyable and convenient. **Enhanced Comfort and Convenience:** Heated front and rear seats, along with a heated steering wheel, add a touch of luxury and ensure comfort in colder weather. Auto lights and wipers adjust to changing conditions, enhancing safety and reducing driver workload. **Keyless Entry:** Keyless entry adds an extra layer of convenience, allowing you to unlock and start the car without fumbling for your keys. This feature is particularly useful in everyday situations, enhancing the overall user experience. Additionally, **Sleek and Modern Design:** Finished in Pearl Black, the Nissan LEAF boasts a sleek and modern appearance. Its stylish design, combined with practical features and advanced technology, offers both form and function. **Cost Savings:** As an electric vehicle, the LEAF benefits from lower fuel and
