FSH, NEW TIMING BELT

2014 seat Leon 1.6 Tdi SE

96K warranted miles with Full Service History and comes freshly serviced by ourselves including a new timing belt kit.

This one owner car from new is in excellent condition, has obviously been very well cared for both cosmetically and mechanically. A real genuine original example you will look far and wide to find one as good, I don't think the back seats have ever been sat in.
