Small cars are designed for people who want motoring conducted on a very small operating budget. But that doesn't necessarily mean that buyers of this sort are looking for a budget feel. Some want their sense and sensibility with a bit of style - and maybe a little of the luxury that they've been used to when owning larger cars in the past. It's at these people that Mitsubishi targeted this model, the updated post-2015-era version of their Mirage citycar. Fusco Vehicle Sales - North Down's largest used car dealership. Generally over 200 cars & commercial vehicles between £3000 - £60,000 on site. See "Part Exchange Estimator" and "Finance Application" on our website. HP & PCP Finance Options Available.
