Just passed MOT with no advisories, this great driving Astra is a real bargain for someone!

Only 2 lady owners from new - last keeper was a local retired lady who owned it for 12 years!!

Both original spare keys present, along with original handbooks.

Service invoices included, last serviced at 175k miles.

An original and un-abused car that has worn its miles very well indeed. It could benefit from a good clean inside but the seat condition etc is very good indeed.

V5 (Tax book) present - So ready to drive away!

Friendly and honest seller - available throughout the holiday period.
