

TESLA Model 3 Standard Plus 4dr Auto | Aug 2019

GENUINE REASON FOR SALE

Baby number 3 coming soon, that unfortunately means I have to say goodbye to the Tesla as we need space for three car seats.

The front tyres have been replaced recently and the rears still have plenty of life in them, all are Michelin Pilot Sport 4. The paintwork is perfect bar 2 small stone chips, one on the a-pillar and one on the front.

The car is well looked after and gets professionally detailed. The body was recently polished and sealed making maintenance washes a breeze.

Next MOT 17/04/2025, 1 previous owner.
