**NEVER USED COMMERCIALY**

I have owned this vehicle for the past seven years and have always found it reliable. It has MOT until the end of next February. I keep it well serviced and maintained and it has recently had two new batteries and an alternator fitted. This vehicle has never been used for commercial purposes. I use this vehicle to tow an Ifor Williams horsebox once or twice a month. With the 3 litre diesel engine and automatic gearbox it is a breeze! I am selling because I have upgraded to a newer model. Usual extras; sat nav, electric sunroof, heated seats and handsfree phone. Happy to take any questions.
