2006 Nissan Elgrand

This camper was imported from Japan last year and converted into a camper by a Scottish company called camper van.co who, whose conversions are done to the highest of standards and come with all the important paperwork proving what work had been done.

It comes equipped with all the expensive extra's - solar panels, pop up roof, built in sockets leisure battery and everything you'll need on your stay away with pop out bed etc

The van itself drives perfectly with no faults and really looks the part, the bodywork is in exceptional condition and the interior all around is like new and looks unused. The van has very low miles at 71k miles and these vans are known for their reliability.

Perfect for small breaks away and easy to drive this van comes with a full years MOT. Trade ins accepted, Delivery arranged, Contact downtown motors today to book a viewing / test drive, £15,000
