Very good little car this, driving very well and in very good condition for the year! I sold this a few years ago with 85,000 miles (that's when the timing belt was done) for considerably more money as you can imagine and it's just been part exchanged back into me! I've just given it a fresh service, 2 new lower arms, 2 new drop links and it'll come with a full and fresh 12 months MOT.

Super easy on diesel, ideal first car or second family runaround!

£1995 - no finance or extended warranties at this price.
