LOW MILEAGE, FULL SERVICE HISTORY, GREAT CONDITION

£4,495 O.N.O

OVERVIEW - This is a reluctant sale of an excellent car, which has been cherished during the course of my ownership. It comes with full service history, very low miles, and has been maintained to the highest standard. It has been fully valeted, ready for its new owner, and can be sold immediately. I am only selling because of a new job, requiring a long commute and hence the purchase of a diesel car. **MAINTENANCE** - During my ownership, the car has had yearly services to replace oil, oil filter, air and pollen filters. It has also had the spark plugs replaced and the air conditioning condenser replaced and the system regassed. Replacement rear discs, callipers, pads, springs, suspension arms and drop-links have also been fitted in the past couple of years, along with 2 very recent all season tyres on the front axle. - All of the receipts are available for the work carried out during my ownership. **CONDITION** - The interior is in excellent condition overall. The exterior is good, with a few scratches on the bodywork and some scuffing on one of the alloys. Everything in the car is working and the air conditioning is ice cold. **EXTRAS** - The car has been hardwired for a dashcam, front and rear. All that is required of the new owner is the purchase of the camera(s). Also included are a full set of original Hyundai mats, a winter set of fitted rubber mats, upgraded lighting throughout, Bosch wipers front and rear, and a set of pressed metal number plates. The car also comes with 2 keys.
