PERFORMANCE & ECONOMY

Fuel Consum. (Combined):	58.9MPG
Fuel Tank Capacity:	45L
Number Of Gears:	6 SPEED
Top Speed:	101MPH
Engine Power BHP:	139.5BHP

We sold this car from brand new to the first keeper. One keeper from new. January 2022 first registered. Kia NIRO HEV CONNECT 1.6 GDi petrol with 1.56kWh traction battery. This is a self-charging hybrid - the battery recharges by energy recuperation and via the petrol combustion engine. No need to plug-in to recharge the traction battery. With 6-speed DCT automatic gearbox. Steel Grey metallic paint. Mileage is 21,081 miles. CO2 110g/km. The 'CONNECT' model sits above the Level '2' with additions of 10.25 Touchscreen Satellite Navigation; Cloth and Leather Upholstery; Chrome Coating Door Handles; USB Charge Inside Front Console and Rear Console Ventilation Duct. When this car was brand new we fitted KIA genuine mudflaps and a KIA genuine boot tray for added protection. The presentation of this car is very good. On the exterior there are no obvious visual scuffs or heavy scoring on any of the panels. To be very fussy we observe a few chips on the OSR door edge - we have improved these. The NSF and OSF tyres are brand new - Point S brand. The NSR and OSR tyres are Michelin brand with 5.00mm tread. With tyre inflation kit. The 16 alloy wheels are in fantastic presentation - only the OSF alloy has a very tiny curb mark on the alloy rim edge - you will have to look closely to observe this. The interior is in excellent condition. We observe no excessive wear and tear on the cloth/leather upholstery. There are no obvious heavy marks on the cabin trim panels or plastics. Non smokers car. 2x remote keys are present. KIA genuine textile floor mats are fitted. The balance of KIA's 7-Year/100,000 mile warranty applies subject to continued manufacturer conditions met

Vehicle Features
