

Volkswagen Crafter Highline Campervan | May 2008

£5,500 O.N.O

Miles:	271557
Fuel Type:	Diesel
Colour:	White
Engine Size:	2461

A 2008 VW coach built Crafter Camper van and is registered as a Motorhome

It is a well equipped little camper for two people and has served us well for many long weekends and occasional weeks away.

Due to the high mileage we are selling this at a low price.

- Swivel Driver and passenger seats
- seating and dining area for 4 persons which converts to a double bed using an infill piece which is stored in the back of the van.

Equipment

- 12v LED Lighting throughout
- 240v mains hook up with Zig CF8 integral battery charger and distribution - there are two 240v sockets
- 240v inverter, with integral USB for phone charging etc.
- Leisure battery, charged from 240v Zig CF8 integral system, Solar Panel and Engine when driving.
- 12v Microwave oven - The manual says that this should run for up to 30 minutes on the battery, however we have never used it
- 3 way fridge, 12v/240v/ gas, although it is not currently plumbed for gas use.
- 2 burner gas hob with integral sink which has 12v pumped water

- Thetford flush Cassette Toilet
- Eberspacher blown air heating with separate fuel tank - the one that is fitted is designed to run for an hour only and then switches off,
- Fiamma awning - this has a small tear. It is barely noticeable - but we have never used it
- 12v TV, this works but we have never used it and it needs an aerial.
- Pull out step
- Rear storage area - this is functional but could be improved significantly- this houses the gas, deck chairs, wheel chocs etc

The Van

- MOT'd until end AUGUST 2024 - Touchscreen radio with Bluetooth, integral satellite navigation and VD Player - needs tuned in.

Vehicle specification*

Vehicle details found for: **Volkswagen CRAFTER**

Fuel type

Diesel

Engine size (l)

2459
