Acceleration 0-100 km/h:	11.5s
Engine Power BHP:	85.8BHP

Desirable 3 door model in the sportier finished SR model with roof spoiler, front fog lights, upgraded 16" alloy wheels with 4 good tyres and factory TOMTOM SAT NAV. Wee car has been well taken care of during ownership and has always been serviced every year by a family member mechanic. Bullet proof VVTI petrol engine and only just hit the 100k mark so very low mileage for the year.

Really easily run.

Great wee first time driver car and looks the part, starts first time every time, can't be faulted mechanically.

Car has a couple of age related marks as to be expected with a 16 year old car.

Front driver seat has a rip and would benefit from some £20 seat covers.

MOT'd until end of April 2025 so wee car is ready to jump into and drive.

Comes with a space saver spare wheel.

Wee car has served us well for years, was just time for an upgrade so will make a great wee runaround for someone that is after some hassle free driving. Best part of a years test, 4 good tyres, wee car is good to go.

Vehicle Features
