Charles Hurst Ferrari are delighted to present an exceptional offering from our Approved collection: the Ferrari GTC4Lusso. This stunning model embodies the luxury and performance synonymous with the Ferrari brand, designed to cater to discerning drivers seeking an extraordinary all-wheel drive grand tourer. The GTC4Lusso stands out with its powerful 6.3-liter V12 engine, which produces an impressive 690 BHP. It effortlessly combines high performance with sophisticated handling, ensuring a smooth and exhilarating driving experience. Whether navigating tight city streets or cruising on open highways, the GTC4Lusso performs with unmatched agility and responsiveness. This vehicle is presented in a striking Nero Daytona exterior, a colour that enhances its elegant yet sporty silhouette. The interior is just as luxurious, upholstered in a rich Nero leather that complements the exterior perfectly. The cabin is equipped with state-of-the-art technology and crafted with attention to detail, offering both driver and passengers comfort and style that is expected from a Ferrari. Under the stringent criteria of the Ferrari Approved program, this GTC4Lusso has been meticulously inspected by our team of Ferrari-trained technicians. It has passed comprehensive checks, ensuring all aspects of the vehicle meet our high standards of quality and performance. The approval process includes detailed scrutiny of its mechanical functions, electrical systems, and cosmetic condition, ensuring the car is delivered in flawless working order. Owning this Ferrari GTC4Lusso means more than just driving a luxury car; it's about experiencing the prestige and passion that comes with a meticulously crafted Ferrari. At Charles Hurst Ferrari, we offer tailored finance options and an exceptional customer service experience, ensuring your Ferrari ownership is

as remarkable as the car itself. Visit us at Charles Hurst Ferrari to experience the allure of the GTC4Lusso. Let us help you make a statement on the road and enjoy the craftsmanship and performance only Ferrari can offer
