FULL SERVICE HISTORY, AUTO

The GLA, first launched in 2014, was the very first small Mercedes SUV. If you're looking at a used one, try and stretch to one of the post-2017 facelifted models. These are as classy as you'd expect a premium 'C'-segment family hatch-based crossover model ought to be from the Stuttgart brand. Thorough engineering borrowed from the Mercedes A-Class means that that there's plenty to like beyond the badge, primary selling points focusing upon quality and efficiency. In short, it's a car that suits its fashion-conscious segment. Fusco Vehicle Sales - North Down's largest used car dealership.
