Car is in great condition for age and mileage. Very few marks or paint chips. Mostly motorway miles. 3 owners from new. Only selling as I have got a new car through work. MOT passed on 5th June 2024. Full service history with VW, cambelt done at 73k December 2022, gearbox oil change carried out at 79k. Car still under warranty&roadside assistance until January 2025 with Agnew Volkswagen and has one service left as part of the deal. Car is a high spec with 7 speed DSG gearbox, heated seats, front and rear parking sensors, adaptive cruise control, Apple CarPlay, DAB radio, sat nav, automatic LED headlights, headlight washers, rubber and cloth floor mats, spare tyre, 2 keys. Rare tungsten silver with upgraded Pretoria alloys. Car drives perfectly and is ideal for anyone looking a solid car with both practicality and performance. Bank transfer only.
