£24,990

QUATTRO ELECTRIC ALLOYS

The Audi e-tron was the first fully electric SUV built with Audi DNA boasting an aerodynamically optimized body that turns heads. No question-the Audi e-tron delivers an exhilarating experience behind the wheel. In stock we have this electrifying Audi e-tron Technik 50 quattro 230,00 kW in Glacier white, Metallic Finish. For more information or to book a test drive, please contact our sales team. Why buy Audi Approved? When you buy an Audi Approved Used vehicle you have the reassurance that all cars must meet our meticulous standards. All Approved Used Audi vehicles undergo a comprehensive series of stringent tests and inspections. 145 Point check to pass These include separate mechanical, interior, and exterior checks, full road-test and a detailed written report. Service History We provide you with a service history certificate at the time of vehicle handover, detailing all routine servicing work completed by the Authorised Audi Centre. MOT Protection Protects you from potential costs incurred from a range of repairs up to the value of £750, if your Approved Used Audi fails MOT. For full details see our T&C's Reconditioning with Audi Original parts Should the multi-point check highlight any irregularities, we will undertake rectification work using Audi Original parts. 30-day exchange Plan In the unlikely event of a demonstrable fault occurring within 30 days/1,000 miles, we will offer an exchange. This does not affect your statutory rights. Key Insurance If your keys are lost/broken or there is a fault with the locks, we will cover the cost of replacements and fitting at your local Audi Centre. History & Mileage Checks The Audi you buy will have a clean, transparent record and independently checked mileage. , Audi Roadside Assistance, and consequential expense cover (car hire and accommodation). Already meticulously checked and certified by our expert Technicians, every Approved Used Audi
