

BMW 5 Series 520d M Sport 5dr Step Auto [Business Media] | Jan 2013

£7,950 O.N.O

GENUINE REASON FOR SALE

BMW 520D MSport Gran Turismo I purchased this car last year from the original owners son in law. It is a fantastic car with over £8500 factory fitted extras including cream/white leather, Electric panoramic roof, dual climate control, reversing camera, front and rear parking sensors, reclining rear seats, factory tinted rear windows, keyless start, start/stop, electric handbrake with hill assist, full electric and heated front seats with memory function, factory sat nav, Bluetooth phone, DVD player, cd player, split opening rear luggage compartment, false floor in boot, evening mood lighting, electrically folding and heated wing mirrors, auto dimming windscreen mirror, convenience parking lighting, electrically adjustable steering rake and reach, built in HD for voice memos, BMW assist SOS, cruise control, RCL, upgraded alloy wheels. This car has a full documented service history. I purchased it around 97k miles and spent £1300 (receipt for work included) on preventative work in replacing the timing chain. This was a major job and other service engine work was carried out to ensure the engine is good to run for many, many more miles. I also fitted a removable tow bar at that time and it was used for short dump runs with my small trailer. If you are looking for an amazing car with the best colour and spec, with limo luxury that has been extremely well looked after by its owners then this is the one. The rear seats have never been sat in. This is a very reluctant sale and I'm only selling as I work from home now and it just sits in my driveway. We can do with one car hence sale. Viewers will not be disappointed.

Vehicle Features

2 load securing straps, 2 x 12v power sockets in rear of front centre console, 3 spoke M sports leather multifunction steering
