

**Citroen C4 1.2 Puretech [130] Sense Plus 5Dr
Auto | Feb 2021****£15,499****APPLE CAR PLAY / ANDROID AUTO**

General Overview: The Citroën C4 1.2 PureTech [130] Sense Plus is a standout model in the compact hatchback segment. It perfectly blends innovative design with practical features, offering a unique and appealing choice for a wide range of customers. This model is particularly well-suited for those who value comfort, efficiency, and modern technology in their everyday driving experience.

Design and Aesthetics: The C4's design is a major selling point, with its bold, SUV-inspired look and elegant lines. The Sense Plus trim enhances the vehicle's appeal with attractive features like alloy wheels and body-colored accents. This model's aesthetic appeal is certain to attract customers who appreciate distinctive and stylish vehicles.

Interior and Comfort: The interior of the C4 is designed with comfort and practicality in mind. It offers ample space for passengers and luggage, making it an excellent choice for families and professionals alike. The Sense Plus trim level adds premium features such as a 10-inch touchscreen, dual-zone climate control, and keyless entry, which all contribute to a high-quality in-car experience.

Performance: The 1.2 PureTech engine delivers a good balance of power and fuel efficiency, making it an excellent choice for urban and motorway driving. The automatic transmission ensures a smooth and effortless driving experience, which will be appreciated by customers looking for convenience and ease of use.

Technology and Safety: The Citroën C4 is equipped with a comprehensive suite of technology and safety features. The infotainment system supports Apple CarPlay and Android Auto, providing seamless connectivity. The car's safety features, including lane keeping assist and automatic emergency braking, offer peace of mind for drivers and passengers, making it a strong choice for safety-conscious
