The 2024 Renault Megane E-Tech EV60 160kW Techno 60kWh Optim is an excellent choice for those seeking a stylish, high-performance electric vehicle. It offers a robust 160kW motor and a 60kWh battery, providing a great range and swift acceleration. The Techno trim includes advanced features like a high-resolution touchscreen with navigation, premium audio, and a suite of driver assistance systems for enhanced safety. Its sleek design, both inside and out, ensures a comfortable and enjoyable driving experience. Additionally, the Megane E-Tech's eco-friendly credentials and low running costs make it an ideal option for environmentally conscious drivers looking for a modern, practical, and reliable car.

Standard features on this car include Front & Rear Sensors, Rear Camera, Heated Seats, Android Auto/ Apple Carplay, Air Conditioning, USB Connection, Auto Headlights / wipers, and Cruise Control.
