

Ford Kuga 2.5 Phev St-Line X 5Dr Cvt | Apr 2021

£21,999

GREAT SPEC SUV

The 2021 Ford Kuga 2.5 PHEV ST-Line X 5dr CVT is an outstanding plug-in hybrid SUV that combines impressive performance, advanced technology, and stylish design. Here are the key highlights and features of this exceptional vehicle:

Performance and Efficiency Hybrid Powertrain: The 2.5-liter plug-in hybrid engine delivers a combined output of 225 horsepower, offering a dynamic and efficient driving experience. The electric motor allows for silent and emission-free driving in electric-only mode.

Electric Range: With a substantial electric-only range, this PHEV model is perfect for daily commutes and short trips, significantly reducing fuel consumption and emissions.

Transmission: The Continuously Variable Transmission (CVT) ensures smooth and seamless acceleration, enhancing the overall driving experience.

Design and Styling ST-Line X Package: The ST-Line X trim adds sporty styling cues, including unique ST-Line front and rear bumpers, side skirts, and distinctive alloy wheels. The athletic design is complemented by a sleek and modern exterior.

Interior: Inside, the Kuga offers a premium and sporty cabin with high-quality materials, ST-Line sports seats, and a leather-wrapped steering wheel. The spacious and well-designed interior provides comfort and luxury for all passengers.

Technology and Features Infotainment System: The advanced SYNC 3 infotainment system features an 8-inch touchscreen, navigation, Apple CarPlay, Android Auto, and a premium sound system. This ensures you stay connected and entertained on every journey.

FordPass Connect: The integrated FordPass Connect modem allows for remote access to vehicle functions, including remote start, lock/unlock, and vehicle status

checks via the FordPass app. Safety and Driver Assistance: Equipped with a comprehensive suite of safety features, including adaptive cruise control, lane-keeping assist, blind-spot monitoring, and a rearview camera, providing peace of mind and enhanced safety. Driving Experience Handling and Comfort: The ST-Line X suspension setup offers a perfect balance of sporty handling and ride comfort. The precise steering and responsive chassis make the Kuga enjoyable to drive on various road conditions. Regenerative Braking: The regenerative braking system not only extends the electric range but also provides smooth and controlled deceleration, enhancing the driving experience. Practicality and Versatility Seating and Space: The Kuga offers generous interior space with flexible seating arrangements. The rear seats can be easily folded to create a large and versatile load area, perfect for family trips or transporting bulky items. Storage Solutions: Numerous storage compartments and thoughtful design elements ensure that all your belongings can be easily organized and accessed. Towing Capability: The plug-in hybrid powertrain does not compromise on capability, with a respectable towing capacity, making it suitable for various recreational activities. Ownership and Value
