

Jeep Commander 5.7 V8 Limited 5dr Auto | May 2007

£6,875

Thank you for viewing my 2007 Jeep commander 5.7 Hemi V8. I've owned her for a little over a year now and enjoyed every minute of it.

The reluctant sale is due to me and my family moving to northern Ireland from Kent, England recently and i now have a company van and another car and my partner unfortunately isn't confident enough to driver it. Drives as she should for a large SUV and has a head turning V8 rumble. I've had an touch screen android auto / Apple car play Kenwood system added and a reversing camera. I bought her with around 72k miles on her and serviced her 74k miles and recently 79k miles both Mopar 5w20 oil and filter receipts to prove. I need to dig up her past service history but recall the previous owner spending around 3k in his time. In my time I've replaced front discs, pads, calipers and flexible break lines, front wheel bearings, sway bar bushes, front passenger side lower arm, both rear anti-roll drop links - All with receipts to prove. She has an LPG system but i haven't used it since ownership as i haven't had a station that sells it close to me. Everything works as it should. Her MOT runs out 11 august and will be driving her to England for an MOT in August and to see family if she isn't gone by then. I'm happy to answer and questions you may have but please keep in mind, I'm in no rush to sell her, may consider sensible offers, No swaps or Part

Miles:	79904

Fuel Tank Capacity:	77.7L
Number Of Gears:	5 SPEED
Top Speed:	129MPH
Acceleration 0-100 km/h:	7.4s
Engine Power BHP:	321.8BHP

exchanges and although well cared for she is still 18 years old and has the odd stone chip or light ding and age related wear but nothing really noticeable apart from the notorious drivers seat wear which is a common thing in both the Commander and Grand Cherokee of this era which is pictured above and i still use her on the weekends so millage will creep up.

Test drives will ONLY be aloud if proof of insurance is provided but happy to take a serious buyer out and put her through her paces. She is fully loaded with tri-zone climate control, heated mirrors, electric front seats, cruise control, front and rear parking sensors, full leather seats, Matching Goodyear tyres all round.

I live in a village with very poor phone signal so please WhatsApp me first and ill call you back.

2 keys,Next MOT due 11/08/2024, Silver, 5+ owners, £6,875
