I am selling due to a new car purchased through employment scheme. The car is in excellent driving condition and has been well looked after. I normally change the oil twice per year and keep servicing up to date since ownership in 2020. The car also has a comprehensive Mazda main dealer service history as listed below (digitally recorded):

- 12,500 miles / 12 months (2015)
- 25,000 miles / 24 months (2015)
- 37,500 miles / 36 months (2016)
- 50,000 miles / 48 months (2017)
- 62,500 miles / 60 months (2018)
- 105,000 miles / 72 months (2021)
- 125,000 miles / 120 months (2022)

The car has had plenty of services and oil changes in between. Various receipts will be provided.

The car has MOT until April 2025

The head unit has been upgraded to Android which has a SIM slot for data, You can use Google Maps, Waze, Spotify, Youtube, etc.

The car is mechanically sound, You are welcome to have it checked over by a mechanic if you wish.

The car had a new turbo replaced in 2022 (receipt provided) and some work done by Mazda in 2021 under warranty/goodwill.

The car is very cheap to run, only costing £35 per year road tax and 50 MPG+ possible depending on driving style etc.

A new 13 pin tow bar was also fitted a few years ago (receipt provided).

Please note that there are obviously some scratches/marks on
