Honestly this car is in stunning condition it really has to be seen to be appreciated you will look far and wide to find one as tidy.

Immaculate Jet black paintwork with electric heated black leather and silver carbon dash inserts.

This car has been prepared for sale which consisted of a full service, full inspection and a full professional valet including a two stage machine polish topped off with a coat of wax for extra protection. The results are amazing it looks like it just rolled out of the BMW factory.
