Full Ford history. The Ford Fiesta 1.5 ST-3 epitomizes the thrill of driving in a compact hatchback that combines exhilarating performance with practicality and style. Designed to captivate enthusiasts, this car blends Ford's racing heritage with modern technology and comfort features. Whether navigating urban streets or tackling winding roads, the Fiesta ST-3 promises a dynamic and engaging driving experience that ignites passion behind the wheel. Performance At the heart of the Ford Fiesta ST-3 is a potent 1.5-liter EcoBoost petrol engine that delivers an impressive 198 horsepower. This turbocharged engine, paired with a slick six-speed manual transmission, offers exhilarating acceleration and precise gear shifts. The Fiesta ST-3's sport-tuned suspension and responsive steering deliver exceptional agility and cornering prowess, making it a joy to drive on any terrain. With its robust performance and dynamic handling, the Fiesta ST-3 is engineered to thrill at every turn. Design The Ford Fiesta ST-3 commands attention with its sporty and aggressive design cues. The ST-3 trim enhances its athletic appearance with unique styling elements, including a distinctive front grille, sculpted body lines, and striking alloy wheels. The dual exhaust outlets and rear spoiler not only enhance aerodynamics but also underscore the car's performance-oriented pedigree. Inside, the cabin blends functionality with comfort, featuring supportive Recaro sports seats upholstered in premium materials. The driver-centric cockpit ensures intuitive access to essential controls and features, creating a purposeful and immersive driving environment. Technology Equipped with advanced technology, the Ford Fiesta ST-3 enhances connectivity, entertainment, and safety on the road
