HEAD TURNING EVOQUE LOW MILEAGE

Selling our Range Rover Evoque SE TECH Diesel.

Top spec including:

- Heated electrically operated seats.
- Folding mirrors.
- Leather interior.
- Climate control.
- Bluetooth phone connection.
- Lane assist.
- Hill hold control.
- 6 speed manual.

Very low mileage, well cared for car with extensive service history and receipts.

Anything this car needed it got.

Most recently the car has had the wheels refurbished and powder coated. It has this week had its full oil service and checked for any codes (all clear) and new add blue wiring fitted.

As with all Range Rovers, don't expect zero niggles, they're well known for them!

This one has temperamental rear windows and auto stop/start has always been useless.

MOT due September but it might get an exemption until September 2025

I have a complete car check available on request.
