Engine Power BHP:	57.7BHP

- Renault Twingo Dec 2009
- 80,815 miles
- MOT November 2024
- Recently serviced with two new front tyres etc, car runs very well. There is a leak in the gear oil that will need to be fixed, I have been quoted £200 to get this sorted but the car still drives well. I have tried to reflect this in the price.
- Low insurance
- Spare key

Texts appreciated rather than calls due to work, thanks
