Top Speed:	141MPH
Acceleration 0-100 km/h:	8.4s
Engine Power BHP:	201.2BHP

Car drives great and in perfect working order with low miles for its age. Few bumps and marks as you would expect with an old car and priced accordingly. Damage to back seat but seat covers would resolve this. Requires a new fuse for radio other than that all is good. No time wasters and will not negotiate on price unless in person. 0866021888 for any questions located in Dublin
