AUTOMATIC, HEATED SEATS

The Volkswagen Touareg has classy looks and a premium cabin that set it apart from the family SUV norm. Volkswagen knows that the only way is upmarket for SUV's cars. This class is a hard nut to crack, so it needs to focus on rivals such as BMW and Mercedes, rather than Ford and Vauxhall. Luckily for Volkswagen the Touareg is a more convincing alternative to these brands than ever. It's got the quality, refinement and technology to compete with the best, and is better value for money bar none! Fusco Vehicle Sales - North Down's largest used car dealership.
