The Colorado is the most reliable vehicle I've had. Really comfortable on long journeys and does exactly what it says, cruises. Will happily tow up the side of a mountain and amazingly economical . You can fit everything including the kitchen sink in the back !! Well maintained, nothing needed, get in and drive. MOT , May 2025 . Led lights back and front . Clean underneath, never welded!! 5 new tyres this year. Only reason I'm selling is hitching is getting difficult (winding jockey wheels etc)
