

Dacia Duster 1.0 Tce 100 Bi-Fuel Comfort 5Dr [6 Speed] | Jun 2021

£10,999

SATNAV DAB RADIO AIRCON

Here are some key reasons:

- Fuel Efficiency and Cost Savings**
Bi-Fuel Capability: The Dacia Duster Bi-Fuel can run on both petrol and LPG (liquefied petroleum gas). LPG is often cheaper than petrol, which can result in significant fuel cost savings over time.
Extended Range: With the ability to use two types of fuel, you can travel longer distances without needing to refuel frequently, providing convenience for long journeys.
- Environmental Benefits**
Reduced Emissions: LPG burns cleaner than petrol, resulting in lower CO2 and NOx emissions. This makes the Duster Bi-Fuel a more environmentally friendly option compared to traditional petrol-only vehicles.
- Performance and Versatility**
Reliable Engine: The Bi-Fuel version maintains good performance levels, ensuring a smooth driving experience whether you're using petrol or LPG.
Off-Road Capability: The Dacia Duster is known for its rugged build and off-road capabilities, making it a versatile vehicle for both urban and rural settings.
- Comfort and Features**
Comfort Trim: The Comfort trim level offers a good balance of features and affordability. It typically includes modern conveniences such as air conditioning, a touchscreen infotainment system, navigation, and enhanced interior comfort.
Spacious Interior: The Duster is praised for its roomy interior, providing ample space for passengers and luggage.
- Unique Colour**
Standout Appearance: Orange is a bold and distinctive colour, ensuring your Duster stands out on the road. It can also be a personal preference for those who like vibrant and unique car colours.
- Affordability**
Competitive Pricing: Dacia vehicles are generally known for their affordability without compromising on essential features and quality. The Duster Bi-Fuel Comfort is a cost-effective option in its segment.
- Resale Value**
Demand for Bi-Fuel Vehicles: With growing
