FSH - CANOPY - LOCKING DIFF!

£24,995 + VAT

AWAITING PREPARATION

PHOTOS TO FOLLOW

This special edition Amarok 'Dark Label' is finished in Carbon steel gray metallic with two tone Vienna leather upholstery and 18 inch Rawson alloy wheels. It has the fantastic 204 ps 3L V6 Tdi engine which is paired to the 8 speed 'ZF' automatic gearbox. It has covered just 56k miles, supported by a full service history, which consists of 3 main dealer services, and 1 we have had carried out for sale.

The Dark Label has spec equivalent to a Highline, with the exception of the alloy wheels and all chrome and door handles being matt black finish. This includes Bi-xenon headlights with separate LED daytime running lights, reverse camera with front and rear sensors, Discover Media Navigation system (with App connect), Front fog lights with cornering function, heated and power folding wing mirrors and winter pack (includes heated seats).

This example also has optional extras of locking rear differential, mudflaps, towbar and colour coded Truckman canopy.

This Amarok is not in normal pick-up condition - there are no dents, scrapes, chips or poor repair to the body and the interior is very clean, the underside has just been professionally undersealed using 'Dinitrol' for future preservation and we have fitted new front brake discs and pads and new rear pads.

The alloy wheels have just been refurbished and are wearing matching 'Continental' tyre with good tread remaining.
