This top-of-the-range Nissan Qashqai 1.3 DIG-T Mild Hybrid Tekna in Magnetic Blue is an exceptional choice for those seeking a blend of luxury, technology, and efficiency in an SUV. Here's why it stands out:

Comprehensive Parking Assistance: The 360-degree parking cameras and front & rear sensors provide all-around visibility, significantly enhancing safety and ease when parking or maneuvering in tight spaces. This feature is especially valuable in urban settings.

Advanced Technology and Connectivity: The customisable touch screen serves as the command center of the vehicle, providing easy access to navigation, entertainment, and vehicle settings. With Apple CarPlay and Android Auto, you can integrate your smartphone for hands-free communication, music, and navigation, ensuring you stay connected and entertained on the road.

Enhanced Driving Comfort and Convenience: Heated seats and a heated steering wheel offer comfort during colder months, while the heads-up display projects essential information directly onto the windshield, allowing you to keep your eyes on the road. These features add a touch of luxury and enhance the overall driving experience.

Dynamic Driving Modes: The sport and eco drive modes provide versatility, allowing you to switch between a more dynamic driving experience and an economical one, depending on your needs. This adaptability makes the Qashqai suitable for both spirited drives and long-distance journeys.

Modern Safety Features: Auto lights and wipers adjust automatically to changing weather conditions, ensuring optimal visibility and safety. Keyless entry adds a layer of convenience, allowing for easy access and start without fumbling for keys. . . , providing peace of mind and protection against unexpected
