Alfa Romeo Brera 3.2 V6 S Prodrive Limited Edition number 482. Bright Alfa Rosso Red. 86k miles. folder Full of Alfa Specialist history and work done. Prodrive versions are the most sought after of the Breras and of the 250 3.2s v6 built there are only around half remaining in the world so this is a genuinely rare car and only likely to appreciate in value. A search for reviews will highlight the differences to the standard versions. Along with some interior revisions such as the Pelle Frau Leather stitched seats, alloy embossed pedals and leather dash, Eibach springs and Bilstein suspension have been used to improve handling and lower the weight. A bespoke exhaust system provides a wonderful sound and the Prodrive version graphite grey 19" wheels are stunning. The car is on 4 Pirelli P Zero tyres.
