£26,950

FREE UK DELIVERY

Registered new in June with delivery mileage, ready to drive away today. Contact Nigel for more information. The Jeep Renegade PHEV Trailhawk is a plug-in hybrid variant of the compact SUV, designed for both urban driving and off-road adventures. Here are some key features and highlights:

Powertrain Hybrid Engine: Combines a gasoline engine with an electric motor, providing efficiency and decent power output for city and off-road driving.

Electric Range: Offers a certain number of miles on electric power alone, ideal for short trips.

Total Power: Typically around 240 horsepower when combining both power sources.

Off-Road Capability Trailhawk Features: Enhanced off-road capabilities with a robust 4WD system, increased ground clearance, and skid plates.

Terrain Management: Features like Selec-Terrain for different driving conditions (sand, mud, snow, etc.).

Interior and Technology Compact Interior: Designed for practicality, with flexible cargo space and comfort features.

Infotainment: Uconnect system with touchscreen, smartphone integration, navigation, and available premium audio options.

Safety Features: Includes various driver-assist technologies such as blind-spot monitoring, rear cross-path detection, and adaptive cruise control.

Trailhawk Design Elements Unique Styling: Bold exterior design, with distinctive Trailhawk badging and off-road enhancements.

Interior Touches: Rugged yet stylish interior materials and finishes. If you're looking for more details or specific aspects of the Renegade PHEV Trailhawk
