# £23,999

CAMERA- SENSORS- CARPLAY

This Nissan Qashqai 1.5 E-Power Acenta Premium in Fuji Sunset Red is an excellent choice for several reasons: Innovative E-Power Technology: The E-Power system combines the efficiency of an electric motor with the convenience of a petrol engine, providing an electric-like driving experience without the need for external charging. This ensures excellent fuel efficiency and reduced emissions, making it both economical and environmentally friendly. Enhanced Safety Features: Equipped with a rear parking camera and rear sensors, the Qashqai offers enhanced visibility and safety when parking and maneuvering. These features help prevent minor collisions and make parking in tight spots easier and safer. Advanced Infotainment: The customisable touch screen interface integrates seamlessly with Apple CarPlay and Android Auto, offering easy access to navigation, music, and hands-free communication. This connectivity ensures you stay connected and entertained on the go. Driving Flexibility: With sport and eco drive modes, this vehicle adapts to your driving style and conditions. Sport mode provides a more dynamic driving experience, while eco mode optimizes fuel efficiency, giving you the flexibility to choose based on your preferences. Convenience and Comfort: Features like auto lights and wipers, as well as keyless entry, add to the overall convenience and ease of use. These features enhance driving comfort, especially in varying weather conditions and during nighttime driving. Stylish Design: The Fuji Sunset Red finish adds a touch of elegance and sophistication, making the Qashqai stand out. The design is both modern and functional, ensuring you drive in style. , offering peace of mind with extended protection and roadside assistance. This support
