#### HISTORY FILE:

Supplied new in August 2014 by Philip Pieteron, Suzuki, Bangor, to a local gentleman, the car has remained in the same family from new, only changing ownership when it was passed to his son in June 2020. Serviced in its early years at the supplying garage, and only in last few years, it was serviced in an independent garage. The car is in excellent order in every way. Still has supplying dealership number plates!! Comes with all handbooks, spare key. Supplied fully serviced and a long MOT to June 2025.

#### SUMMARY:

This is best described as a proper little car that has been excellently maintained over the years and would be an ideal car for any purpose. First to see this car will buy, it really is that nice.

Anyone that knows our garage will know we like these cars a lot, and I can honestly say this is as good as example we have ever had. I defy a better example to be found anywhere.
